## Caregiver Action Network to Host Caregiver Lunch & Learn on Shared Decision Making for Family Caregivers for New Orleans Residents

**Washington, DC (August 2017)** – Caregiver Action Network (CAN), the nation’s leading consumer-facing family caregiver organization, will be conducting a Lunch & Learn workshop entitled “Family Caregivers Matter: Shared Decision Making for Family Caregivers.” This workshop is free to all family caregivers and their loved ones, and will be held on Saturday, May 18<sup>th</sup> at Kingsley House from 10:00 a.m. to 2:00 p.m. in New Orleans, Louisiana.

“CAN believes that family caregivers are one of the most important missing pieces in current efforts to maximize patient-centered outcomes, and that they should be made a primary focus of training efforts, because family caregivers matter,” said John Schall, Chief Executive Officer of CAN.

During this workshop, the 100 attendees will learn about caregiving tools, creating patient- and family-centered goals, and shared decision-making.
