About Kingsley House

At Kingsley House, we envision a city and region where all young children are ready to succeed, and all citizens are healthy and economically stable. Recognizing that under-resourced families are at risk of being caught in an intractable cycle of poverty, we are committed to ensuring that individuals and families have the support necessary to be successful at all stages of life. To accomplish our goals, we join forces with dedicated community partners. Collectively, we work with families to fuel economic growth and social change in our city, state, and region.

Founded in 1896, Kingsley House's mission is to educate children, strengthen families and build community. A name change that reflects the organization's values and vision is forthcoming during its 125th anniversary celebration this year. For more information, visit www.kingsleyhouse.org.
