Request for Proposal (RFP) to Automate Exit Gates

Released 05/15/2023

Introduction

We are seeking proposals from qualified vendors to provide and install an automated exit gate system for our facility. The aim of this project is to enhance the security and efficiency of our exit system by automating the gates. We are looking for a vendor who can design, supply, install, and maintain an automated exit gate system that will meet our requirements.

Project Scope

The project includes the following:

1. Design and supply of an automated exit gate system
2. Installation of the automated exit gate system
3. Integration with our current access control system
4. Testing and commissioning of the automated exit gate system
5. Training of staff on how to use the new automated exit gate system
6. Maintenance and support of the automated exit gate system

Requirements

The automated exit gates should meet the following requirements:

1. Reliable and durable
2. Secure and tamper-proof
3. Easy to use and operate
4. Able to integrate with our current access control system
5. Able to handle heavy traffic flow
6. Compatible with various types of vehicles
7. Equipped with safety features to prevent accidents
8. Energy-efficient

Proposal Submission

Interested vendors should submit a proposal that includes the following information:

1. Company profile
2. Detailed description of the proposed automated exit gates
3. Implementation plan and timeline
4. Cost breakdown
5. Maintenance and support plan
6. References and examples of previous installations

Proposals must be submitted sealed (marked Gate Proposal) to:

Clover NOLA, Inc.
Attn: Johnathon Warren
1600 Constance Street
New Orleans, LA 70130

Notification of submission, not including the proposal, can be sent to gate.rfp@clovernola.org

Evaluation Criteria

The proposals will be evaluated based on the following criteria:

1. Compliance with the requirements and scope of the project
2. Quality and reliability of the proposed solution
3. Cost-effectiveness of the proposed solution
4. Vendor's experience and reputation
5. Vendor's ability to meet the project timeline and requirements

Timeline

The timeline for the project is as follows:

1. RFP release: May 15th, 2023
2. Vendor site visits: May 29th – June 2nd, 2023
3. Proposal submission deadline: June 16th, 2023
4. Bid Opening: June 20th, 2023
5. Vendor selection: June 23rd, 2023
6. Installation and testing: July 1st – August 18th, 2023
7. Training: August 21st - August 31st, 2023
8. Maintenance and support: Ongoing

Revisions

Clover NOLA, Inc. reserves the right to modify, amend, cancel, or reissue the RFP at any time.
